Important discoveries made during the holy work of tombstone restoration:

Compiled by our dear friend Harav R' Dov Berish Weber of Zichron Avoyseinu

The esteemed **Ausch-Templer Family**, descendant of the old Kehilla of Gyonk has generously sponsored the restoration of the old cemetery where their ancestors are interred. We are greatly pleased that their hard work and efforts have not been in vain. In the process of the cleaning and beautifying of the cemetery, the tombstone of our grandfather Hatzaddik R' Yitzchok Ausch ז"ל was uncovered and not far from his, that of his wife, our grandmother **Mrs. Bina ע"ה** whose gravestone was sunken in the earth, hidden from our family for years. (Tombstone pictured below) Besides for the above-mentioned discoveries, several tombstones of great and noble people, Talmidim of the holy Chasam Sofer were uncovered as well:

1-Hagoan R' Pesachia Adler, זצ"ל The Chasam Sofer wrote to him several times using very complimentary language showing he held him in high regard (Tombstone pictured below)

2-Hagoan R' Moshe Freund, known as R' Moshe of Gyonk, זצ"ל son of Hagoan R' Itzik Grishaber, Rav of Paksh. His tombstone (pictured below) is inscribed with wondrous titles of praise.

Aside from all these special people, other old tombstones of Kehilla members and people who resided in Gyonk were uncovered.

We ask all descendants of the Kehilla in Gyonk including the members of the **Ausch Family** to donate generously so we can complete the work: erect the tombstones to know where the graves are and repair the gate to safeguard the cemetery for many years.

Signed, *Dov Berish Weber of Zichron Avoyseinu, descendant of Gyonk, member of the Ausch Family*

In honor of the yahrtzeit of Harav R' Yida Tzvi Hakohen Landau ז"ל, a yahrtzeit was held where large sums were raised to rescue the Resting Place of his ancestors. Words of inspiration describing the greatness of the מצוה were delivered by Harav R' Yaakov Alexander Guttman of Avoyseinu and left a great impact on all listeners. We hope to start restoration work very soon.
