These holy days are the ideal time to reflect: **Have I fulfilled my obligation to my ancestors**, by showing the proper respect and honor to their Resting Places and rescuing the cemeteries they are interred in?

See the tremendous difference of a completely abandoned site to a site that was beautifully renovated.

With a little bit of effort, you can achieve results that last forever.

Below are several samples of recently renovated cemeteries restored by the esteemed family members and descendants and Committee Members.

Urgent Appeal: In these holy days you can earn a great merit and take part in Avoyseinu's huge expenses that are not covered by the family members. Every dollar you donate goes towards cemetery restoration and you become a partner in all our holy work.
