Construction of אהל and Restoration of cemetery

A group of family members visited the cemetery this Thursday in preparation of Restoration work.

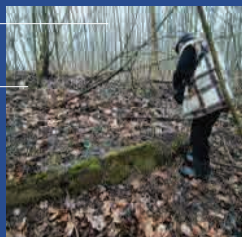

Niebylec, Poland

Construction of gate headed by Hagaon the Rav of Niebylec, Chairman

Urgent plea – Great effort and much work was put into raising the necessary funds to enable start of Phase 1- construction of gate to surround the abandoned and neglected cemetery. To our dismay the Government has ordered that the permit was for a gate that is much more costly. Therefore we appeal to our supporters everywhere, please donate generously so we can start restoration work immediately, since each day that passes is a danger to the cemetery
