### Evaluation

An evaluation was conducted as per the request of R' Meir Yakov Tessler and R' Nechemya Hoffman, through the efforts of R' yoel ben R' yosef Hersh Weinstock.

There was great enthusiasm by the descendants when the HFPJC members discovered the gravestone of their grandfather R' Burech ben R' Yosef Yitzchok Davidowitz.

## Nacina Ves, Slovakia

Big efforts are being exerted to raise the necessary funds, to build a road, as well as a parking place for the dear grandchildren who are coming to pray at the gravestone of R' Yakov Greenwald and his son R' Meir. זצ"ל

## Mizhhirya, Ukraine

### - הגה"ק אב"ד ואלאוֹא זצ"ל Building of the ohel

After great effort and hard work, the original foundations of the holy ohel from R' Yakov yokel Teitelbaum זצ"ל, together with his wife Mrs. Hendel, daughter of Baal Yetev Lev זצ"ל were finally discovered.

As it seems, they built a big ohel (likely for the future generations)

With the efforts of R Yakov Yokel Teitelbaum Shlita and R Meir Yosef Gross Shlita, a committee is being set up now, where the esteemed descendants will work together to restore honor to the holy ohel.

זכות עצום ונשגב להשתדר בכל עוז ותעצומות לכבוד האי ראש בית אב, האי צדקה קדישא, וחפץ ד' בידינו יצילה, וזכותו הגדול והקדוש יגן להוושע בכל טוב סלה.

### Ongoing work

The holy work is being continued in the old part of the cemetery. Firstly, it's being cleaned out of the piles of dirt and cut vegetation, after that we'll continue building the fence and erecting the gravestones.

## Nowy Koroczyn

In these days, the cemetery is being cleaned, in order to help find the resting place of Hagoan Baal Menorah Hatchorah and his family.
