Puspokladany, Hungary

Vigorous efforts are being made to enable the continuation of the holy work by the important descendants of the big gaon Baal Yad Yosef זצוק"ל.

Additionally, the esteemed descendants are putting in great efforts raising the necessary funds to erect all the gravestones and bring back its' original honor.

Tyczyn, Poland

Efforts are being continued for the benefit of the cemetery to place a tombstone for the parents of our holy Rabbi R' Elimelech M'Lizensk and his brother Rabbi R' Zisha, as well as repairing the tombstones on a dignified scale.

Bolcske, Hungary

Building the fence

Led by the esteemed family, descendants of R' Avrum Herman זצ"ל.

Phase I of the construction was beautifully completed in a short time!

This past Friday Parshas Vaychee, the 13'th of Teives, was the Yahrtzeit of the head of the family R' Avrum Herman.

Gyonk, Hungary

Bezras Hashem, the permit was approved, and after many efforts, the cemetery was re-registered on the correct borders.

This made it possible to complete the fence around the entire area of the cemetery. Family members are organizing to donate the necessary funds.

1'st Phase: Building a new, sturdy fence next to the water line, instead of the wire fence

2'nd Phase: Repair 20 meters of broken border (which was destroyed by the neighbors)

Bychawa, Poland

The urgent campaign is being continued by the committee chairmen, to raise the necessary funds, in order to proceed with the holy work as till today, to complete the fence construction on the two sides.

Cemetery unfortunately in a disgraced, neglected condition.
