Thank You Letters

Beautiful Letters received in the Avoyseinu office after the committee leaders visited the graves of their ancestors:

Sajoszentpeter, Hungary

I visited the cemetery yesterday, and I was absolutely amazed by the beautiful work that was done there. It looks totally different when seeing all the stones nicely standing in their place. I looked all around, and I saw a big sign far away. I went to see the sign. This special big sign in the middle of the cemetery brings you into the history of the Holy Rabonim. I found all the gravestones from the rabonim located right next to the sign.

Thanks to the organization Avoseinu, they did an amazing, wonderful job.

The zechus from the rabonim should help us all!

Bodrogheresztur, Tarcsl, Budszenzmihaly, Teglas, Sena, Abaujszanto, Nyirbator, Ungvar

Dearest of the important organization Avoyseinu

I was going around the cemeteries for almost 3 days, and I cannot help but express my deep gratitude. After visiting the many cemeteries listed below:

Bodrogheresztur, Tarcsl, Budszenzmihaly, Teglas, Sena, Abaujszanto, Nyirbator, Ungvar

They look like a salon, a dining room, everything neat and perfect, every gravestone placed in its proper position. Since "Bruas Huolem", there has not been such a thing that hundreds of cemeteries should be so nicely arranged, properly and appropriately, in honor of the deceased. Blessed are you that you have been granted such a great mitzvah.

Hashem will help that the greatness of the mitzvah will protect you, and the holy tzadikim who are buried there will advise all good on your behalf!

Kisdobra-Biel, Slovakia

These days, preparations are being made to continue with the restoration of the cemetery, after 75% of it is already nicely surrounded with a durable fence.

Important Call

Come forward with large sums to help out the grandchildren who are devoting all their efforts to raise the necessary funds, in order to complete the restoration.

After the many efforts, the work has finally started full force together with the local community leaders, as the contractor has already received a deposit to start the sacred work. At the same time, the heads of the committee are strongly appealing to the family members to help out and donate their considerable sums so that the work will not be held back.
