With hearts full of sorrow, we share in the grief of the honorable family, and especially in honor of our friend, who has worked with us for many years for the benefit of the following cemeteries:

**Bistrita, Boiu, Dej-** the resting places of his ancestors, our esteemed **R' Chaim Yosef Wertzberger שליטא** at the time of the passing of his dear sister, the renowned **Mrs. Ruchel**, daughter of **R' Shmiel Alexander Wertzberger**

הומנוסם ירושלים ינחם אתכם מתוך שאר אבלי ציון וירושלים ומענה לא תוסיפו לדאבה עוד ותראו רוב נחת ושמחה מענה ועד עולם.

### MAINTENANCE ALERT:

Please take into account the importance of setting up a permanent maintenance system to ensure that the cemetery is under constant supervision and cleaned properly.

Below is the Urgent call from Rabbi David Tzvi Wieder, Jerusalem.

To Acheinu Beith Yisroel and specially Ancestors of Giulesti, Maramures, April 2015, we asked Avoyseinu to make an Evaluation on the cemetery of Giulesti. There were many things to fix but the ground was clean Grass with only a few trees.

When I visited 15 months later, the Beis Hachaim was overgrown with plants. A month ago, I went to daven at the Cemetery but couldn't find it, and I was terribly shocked, being sure that evil people destroyed the Graves.

Avoyseinu sent to check it up, and B"H the Beis Hachaim still exists, but the forest has grown into it, so it's hard to be seen and there is an imminent danger that the forest will destroy Chas VeSholom the graves of our ancestors.

Please take a part to restore this Beis Hachaim and the Neshomois of our forefathers will ask mercy for us from HKBH  
בבקשה ובתחנונים המצפה לרחמי שמים ולגאולה קרובה
