Awakening by the family members to start with the construction of the cemetery.

Led by **Rabbi Yonesen Weiss** shlita and his esteemed family.

Following the cemetery construction completed through HFPJC, where the fence was built, 200 gravestones were erected, and a permanent maintenance system was established, the family was inspired to proceed with the very ambitious undertaking of **clearly repainting all the headstones**. This project is being carried out by the honorable **Rabbi Yosef Meizlish**, under the leadership of the esteemed **Rabbi Azriel Naftali Gestetner**.

Biecz, Poland

The resting place of **Hatzadik R' Alter Eliezer Horowitz z"l**, son of **Rabbi Aron, Av Beit Din of Biecz z"l**, and grandson of the great **Rabbi Dov Ber of Sanz z"l**, and **Rabbi Ha'Amri Noam of Dizikiv z"l**, and father of **Rabbi Chaim Shlomo Horowitz z"l**, the **Admor of Strizov**

His esteemed grandsons, led by the **Honorable Rabbi Alter Eliezer Horowitz** shlita, have undertaken the task of locating the exact resting place. Since it has not yet been possible to determine this with certainty, in consultation with the esteemed elders of the older generations, a plaque bearing the text of a memorial inscription was placed at the entrance to the cemetery so that it may serve as a lasting memorial.

Hence, a proclamation is issued: **it is urgent to enclose the cemetery**—which covers a large area—with a sturdy fence so that it may stand for many years to come. The time is now ripe for this, as the local authorities are respectfully taking on the task of providing a resting place for our ancestors. Therefore, the descendants of the city's former residents organize themselves and form a committee to support the esteemed donors and to facilitate the construction of a new and sturdy fence, as befits the honor and glory of our forefathers.

Note the sign hanging at the entrance to the cemetery
