Pinczów, Poland

Last Friday, the 17th of Av, there was a large gathering of the descendants at the holy grave of **Rabbi Avraham Mordechai of Pinczow** ז"ל on the 202'nd yahrtzeit. There was a great movement to rebuild the fence, and this Tuesday, a meeting was already held at the home of R' **Avraham Yaakov Jacob** shlit'a, where large sums were donated. Further meetings will follow next week.

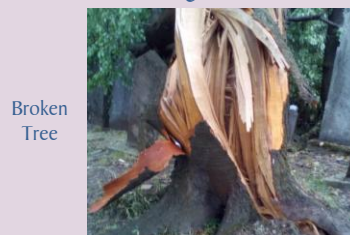

Through the efforts of: R' **Avraham Spielman**, R' **Chaim Elimelech** and his brother R' **Yosef Leib Jakob**, and R' **Yoel Schwartz**, We hope to begin this season with the sacred work of the first phase of building the fence.

Hanusovce, Slovakia

Repairs were carried out in the cemetery this week by the HFPJC members, after a massive tree has fallen down and destroyed many stones.

Sponsored by: R' **Usher Elimelech Meisels** shlit'a, grandson of the Gaon of Hanusovce ז"ל

Simleu, Romania

Beautiful pictures where you can see the material for the new fence being manufactured at the factory

We hope to begin the continuation of this sacred work very soon!

Myjava, Slovakia

HFPJC members have already visited the site several times to conduct a thorough assessment. Attached you'll find the distinguished tombstone of **Rabbi Mordechai Broda**, former rabbi of Myjava. Thorough investigations are being conducted to determine the exact location of his final resting place; and following this clarification, a dignified place of prayer will be built there to visit his holy grave. In addition, all necessary repairs will be carried out for the benefit of the cemetery.

Through the efforts of the esteemed R' Akiva, son of R Moshe Rosenfeld shlit'a

Much appreciation to the shul gaboam

For their great assistance, for the benefit of advertising the bulletin, that it should remain hanging on the walls throughout the entire week
