A brief overview of our weekly activities

We extend our heartfelt condolences to the distinguished and noble Lieberman family on the passing of their mother
Mrs. Leah bas R' Yeshaya Menachem ע"ה
wife of R' Moshe Shmiel Lieberman ע"ה
who devoted **dozens of years** of her life to the upkeep of her ancestors' cemeteries in the towns of
Vilchivka-Olyvos, Silce, Beregkovesd
May the memory of her good deeds precede her, and may her righteousness stand as a merit and intercession for her children

HFPJC- Maintenance Division

An example of the contrasting telephone calls that come into the Avoyseinu office daily

We have recently returned from a visit to our family cemetery in Satmarhégy, and we simply have no words to express our gratitude to the "Avoyseinu" organization for their extraordinary and noble work. Both for rebuilding the place and for maintaining it and taking care of it in such a dignified manner; the grass is freshly cut, and everything is in perfect order. We witnessed with our own eyes the great 'Kidush Hashem' up close!

We have recently returned from a visit to our family cemetery, and we unfortunately observed firsthand the significance of the maintenance system offered by "Avoyseinu" following the restoration of a cemetery. The excessive growth of tall grass and weeds has rendered the cemetery inaccessible. It's truly a pity that we didn't utilize this service until now, and we want to get started immediately!

Important call: Make sure your ancestors' graves are maintained with proper respect!

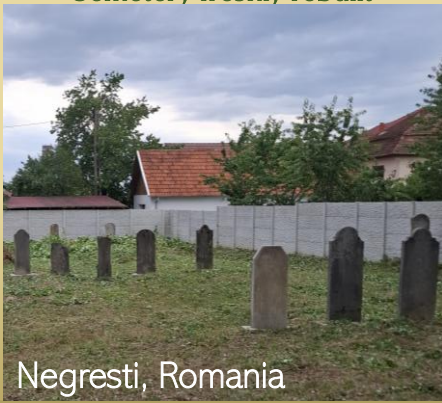

You have had the great privilege of restoring honor to your ancestors' cemeteries; now it is critically important to ensure the continued upkeep of the site, so that weeds do not destroy all the hard work.

HFPJC's maintenance program provides the following for each cemetery:

- A worker is designated who is responsible for mowing the grass 4 times a year, as well as informing us of any problems
- 'Avoyseinu' supervisors visit the cemeteries several times a year to inspect the work firsthand.
- Reports and pictures are provided, which are then sent to the families.

Please be sure to call the 'Avoyseinu' office at least a week before going to the cemetery to confirm the details.
