Avoyseinu members will travel to Europe to negotiate on behalf of those cemeteries where restoration is being held back because of bureaucratic reasons in **Hungary, Romania and the Ukraine**.

We express our thanks and blessings to the venerated Rov of Chug Chasam Sofer in Pesach Tikvah, Hagaon Rav **Chaim Yehuda Deutsch** Shlit"a for his great assistance in arranging the trip and the meetings. May they go and come in peace and may they succeed in their mission bs"d.

Fence construction launched

Nagyvarad, Hungary

After Avoyseinu members have negotiated in person, construction work has finally started on the remaining 200 meters of the new fence. Intense negotiations are being continued to enable completion of the holy work.
