Projects 2016

Gavavencselo , Hungary

Headed by: Harav R' **Moshe Roth** Shlit"a and R' **Yosef Yitzchok Tessler** Shlit"a

Descendants of Gavavencselo who were apprised of the long drawn-out negotiations of the **past 10 years** over a significant part of the cemetery are overjoyed at the good news that the long-awaited contract was legally finalized. In the past many interventions failed to bring about the desired results, and now, with Hashem's help, the problems were finally solved and we look forward to completing the fence during the upcoming season.

We take this opportunity to thank Rav **Moshe Roth** Shlit"a for his advice and assistance at every step of the way throughout the long drawn-out negotiations.

Although the negotiations were lengthy and difficult, know that we at Avoyseinu expend great efforts to ensure the ongoing negotiations always be held in a peaceful manner and bring about a קידוש השם.

2005: Avoyseinu members visit the cemetery and report back on its terrible condition.

2008: Newly constructed fence surrounding the cemetery on 3 sides
