**Restoration of cemetery in Legenya-Mihali, Slovakia under the auspices of Hagaon Hatzadik of Dorag Shlit"a**

•On a recent group trip to Europe to pray at קברי אבות, led by Harav Hagaon of Dorag Shlit"a, the descendants were apprised of the terrible condition the Legenye-Mihaly cemetery is in. The deserted cemetery was discovered deep in the woods, the group literally having to crawl through grass and trees to get to the tombstones.  
•Immediately upon his return, Harav Hagaon of Dorag Shlit"a contacted Avoyseinu to begin preparations for the restoration of the cemetery  
•Descendants of Legenye-Mihaly are deeply inspired to join in this vital undertaking. Construction should begin during this very season.
