**Kobryn, Belarus:** photo of newly discovered stones during HFPJC's ongoing preparations to determine the exact size and locations of the ohels. Decorative entrance for fence is being prepared

**Project preparations: Frysztak, Poland**

HFPJC agents travel to cemetery to finalize borders and prepare the actual construction.

**Overview of past activities in the cemetery:**

HFPJC negotiates at cemetery to be able to build fence on original borders.

HFPJC agent and mayor who is extremely helpful with the project.

Experienced surveyor measures and defines original borders.

**Projects 2015**

Projects 6 2015

**Fence construction in K. Felegyhaza, Hungary**

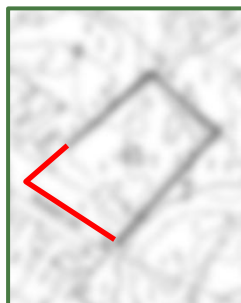

Led by Reb Moshe Efroyim Weber  
And borther Reb Menachem Dovid shlit"a

Descendants express deep joy upon hearing of the successful negotiations during which permits were received to complete phase two and build the entire wall on one side, along the original borders. Work progresses smoothly be"H, while HFPJC continue with negotiations to complete entire fence.

Phase 2 of fence almost completed. This wall will separate the two cemeteries.

Phase I of fence completed b"H.

City map of cemetery, according to original borders.

Black borders show section where fence is permitted.

Red borders show section that is still under negotiations.

Special appreciation to the honorable **MAZSIHISZ** and Mr. **Peter Feldmajer** and Mr. **Peter Tamas** And Kiskunfelegyhaza mayor Mr. **Joszeif Csanyi** Who facilitated the success of this project
