Elation among families upon the groundbreaking achievement in the following 3 cemeteries

HFPJC extends its admiration for the perseverance of the descendants throughout the winding and difficult negotiations project. Their patience gave tremendous support to pull through the exceedingly complicated bureaucratic procedures. May the work continue to be blessed with much *siyatta dishmaya*.

Joyous announcement Sent to families upon receipt of the update

With great pleasure, we share that after tireless efforts of the organization "Avoyseinu", we received the necessary paperwork permitting us to build the fence around the resting site of our ancestress Mrs. Tzurta Grunfeld a"ח.
Burech Hatov V'hameitiv!
At this opportunity, we express our appreciation again for all who financed this endeavor.
Signed on behalf of the family: **Lipa Friedman**
