

נטפי תנחומים

With deep sadness, we share in the great loss of the esteemed Family **Zupnik** who is mourning the passing of their dear and renowned father

Rabbi **Mendel Zupnik** z"l

In whose merit came about the restoration of the cemetery in **Ladomirova, Slovakia**

Resting site of their ancestor, the tzaddik Reb **Elyukim Getzel** zt"l

May the restoration turn out successful be"H.

May they be comforted among the mourners of Tzion with the coming of moshiach. May they merit only good tidings and long, healthy years.
