## Project Preparations 2015

### Cemetery restoration in Ermihalyfalva, Romania

- Great joy among Mihalyfalva descendants upon the committee's commitment to the start of the first phase of fencing the cemetery
- The fence is a fundamental aspect of the lofty work to save the cemetery, and will help in the further negotiations against possible damages in the cemetery.
- The committee would like to express appreciation to all who participated and helped in the restoration efforts, especially to Reb **Zvi Elimelech Kahan** shlit"a and Rabbi **Meir Spitz** shlit"a, av'd Bistriz
