A brief overview on our weekly activities

וועד די רצה להודיענו מקום קבורת האבות באשר אנחנו חייבים לכבד מקום קבורת אבותינו הק'. (רמב"ן ח"י שרה)

With intense pain we mourn the loss of the venerable Harav R' Mordechai Leonorowitz z"l Chief protector of our ancestor's gravesites in Kemecs, Demecser, Bokony, Mihalovce-Stranany. We extend our condolences towards his esteemed widow who does her utmost for Avoyseinu's cause, and to their son, R' Naftali Leonorowits Shlit"a and to the entire family. May they be comforted among the mourners of Yerushalayim and may they know of no more pain. May they be blessed with a long life of נחת.

Erection of fence continues in Aranyosapati, Hungary

Headed by the grandchildren of the descendants, through our loyal friend R'Moshe Yona Weingarten-we thank him for always being readily available to assist us.

Committee members: R' Avrom Mordche Gross, R' Mordche Weiss, R' Yoel Berkowitz; **Through the efforts of** R' Yaakov Naftuli Hartman.

Notice: Due to a water dam located near the cemetery, it is as of now illegal to build a fence at the correct boundaries. The dam is scheduled to be rebuilt in another location by the government. Therefore a temporary fence was set up. We look forward to building a proper fence, sturdy and durable, as soon as possible.
