Birchas Hashuna

At the threshold of the new year, we extend our sincere wishes to all the dedicated individuals, donors, devoted family members and volunteers who work tirelessly year round for the rescue, restoration and maintenance of butei chaim. With endless gratitude to Hashem, we reflect on our achievements in the 200 restored cemeteries. This is undoubtedly accredited to the devoted family members and supporters who enabled the continuance of our activities. May Hashem bless you and all of klal yisroel with a kesiva v'chasima tova, and a healthy, prosperous year.

Cemetery restoration in Oliksandrivka, Ukraine

Through the efforts of the esteemed Reb Wolf Rosenberg

Joyous update

After various negotiations, HFPJC agents finally obtained permission from the neighbors to construct the fence on the original borders. Fence construction is now in full swing.
