### Urgent appeal

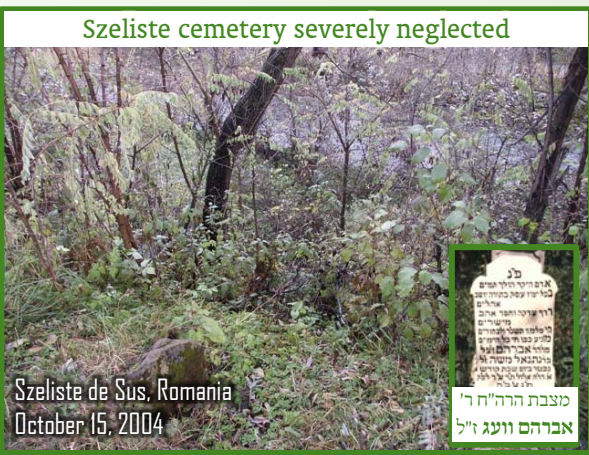

To date, the amazing results of 6 1/2 years of warm, Torah-true chinuch of Nachlas Avos are widely recognized and appreciated. We therefore appeal to our dear supporters **Please respond warmly to our petition sent to you in the mail** so that we can pay up the enormous amount of outstanding wages to the melamdin, and settle the bachurim in appropriate yeshivos for the upcoming zman.

Pursuant to the previous appeal among the families, we hereby thank all descendants for participating generously to enable our lofty mission. Significant progress has b"H been made, and the preparatory stage, which included ascertaining the borders, devising a proper construction plan based on the difficult terrain, and obtaining necessary permits, is in its final stages.
