A brief overview on our weekly activities

## מסיבה נהדרה ומפוארה מיוחדת במינה

An impressive gathering took place on Wednesday evening, Rosh Chodesh Iyar, at the Avoyseinu offices; the goal: to encourage those who work hard to create public awareness of the importance of cemetery rescue and restoration. This is achieved mainly by distributing the weekly bulletins enumerating Avoyseinu's activities to shuls all over New York.

At the beautiful Rosh Chodesh seuda informative speeches were heard from R' **Yaakov Guttman Shlit" a** and R' **Chaim Refoel Ferencz Shlit" a**. They recounted interesting episodes of cemeteries being rescued as a direct result of the far-reaching weekly publicity. They also told of the siyata dishmaya the organization experiences on a constant basis and especially when involved in complicated cases of cemetery rescue.

In closing, plans to further promote awareness were discussed, to be accomplished by distributing the weekly bulletins to many more shuls across the world. All those assembled felt a renewed enthusiasm to continue Avoyseinu's holy work. We express our appreciation to **Habochour Shimshon Eliezer Ferencz** for his utmost dedication to Avoyseinu's success.
