...באתי להזהיר את החיים שיזהרו בכבוד המתים.. ובפרט שראיתי באיזה מקומות שאין מוגדרין גדר.. לכן הזהרו מאד מאד לתקן זאת שימליצו טוב ובפרט ליום הדין ולמשפטינו יעמדו כחומה סביב, והמקטריגים יעמדו הוצה..

New Year's Wishes
ברכת השנה

As we approach the year's end, we extend our sincere wishes to all the dedicated individuals, donors, devoted family members and volunteers who work tirelessly year round for the rescue, restoration and maintenance of butei chaim.

With endless gratitude to Hashem, we reflect on our achievements in the 200 restored cemeteries. This is undoubtedly accredited to the devoted family members and supporters who enabled the continuance of our activities.

At the same time, we appeal to all of klal yisroel with a heartfelt plea: help us help them! Without your continued support, we can't possibly ensure the continued preservation of the resting sites of your dear ancestors. The funding from the descendants scantily covers the costs of the restoration itself, and the administrative budget is reaching unprecedented amounts.

With your kind donation, you become an equal partner in all of our unique activities and its invaluable zechusim (merits), while ensuring the further preservation of the abandoned cemeteries in Eastern Europe. May all of klal yisroel be blessed with a kesiva v'chasima tova, and a healthy, prosperous year.

On behalf of the Talmud Torah Nachlas Avos, Budapest, we thank all of our sponsors, particularly those who sponsored a
