Important appeal from the Bialy Kamien committee

Due to the winding negotiations and necessary compensation agreements, additional costs arose. In addition, a new road must be built to replace the passageway which runs through the beis hachaim. We appeal to all who are capable to assist in covering these added costs.

May the zechus of the kedoshim interred in the cemetery bless all participants in the mitzvah.

For donations, please call Avoyseinu: 718-640-1470
