Continuation [3] ...May the next generation know...

Announcing the preservation efforts in previous projects so that the next generation can continue these noteworthy activities

Due to the passing of the notable askan who dedicated himself toward cemetery preservation in Eastern Europe, and was the catalyst for Avoyseinu's activities – **HaRav Reb Zvi Kestenbaum z"l** – we find it appropriate to eternalize his shining activities in a few of the many cemeteries he has restored. May these efforts be a meilitz tov for him and his family.

A glance at several of the restored cemeteries through the prominent askan **Harav Zvi Kestenbaum z"l**
