It's been five and a half years since Avoyseinu founded the Talmud Torah Nachlas Avos in Budapest, granting the pure children in Budapest a Torah-true chareidi chinuch. Following are a few significant points regarding Nachlas Avos:

- **The students at Nachlas Avos emerge be"H as true talmidei chachamim, and are accepted in renowned yeshivos.**
- **The devoted melamdin are flown from Eretz Yisroel on a two-week basis.**
- **The entire financial load rests on a few individuals who need much help and support to continue.**
- **With your monthly donation (through credit card etc.) you are an equal partner in the tremendous zechusim. For CC donations, please call 718-640-1465.**

May Hashem grant all supporters a simchas Yom Tov and many brachos, in the merit of the Torah of these pure children.

Please send your kind donation:
