### Historical Discovery after 70 Years!

Since WWII, the resting site of the holy **Saraf of Mogielnica**  
zy"ra

was hidden from Klal Yisroel. After much research, the foundation of  
the gravestone was discovered in its original state and location!

The sacred tombstone of the **Saraf zy"ra**

נוסח המצבה: ...נאסף א' עמיו יום ב' אמור ט"ו  
אייר ש' ויאתיו כל לעבדך תר"ט לפ"ק תנצב"ה

### Important appeal

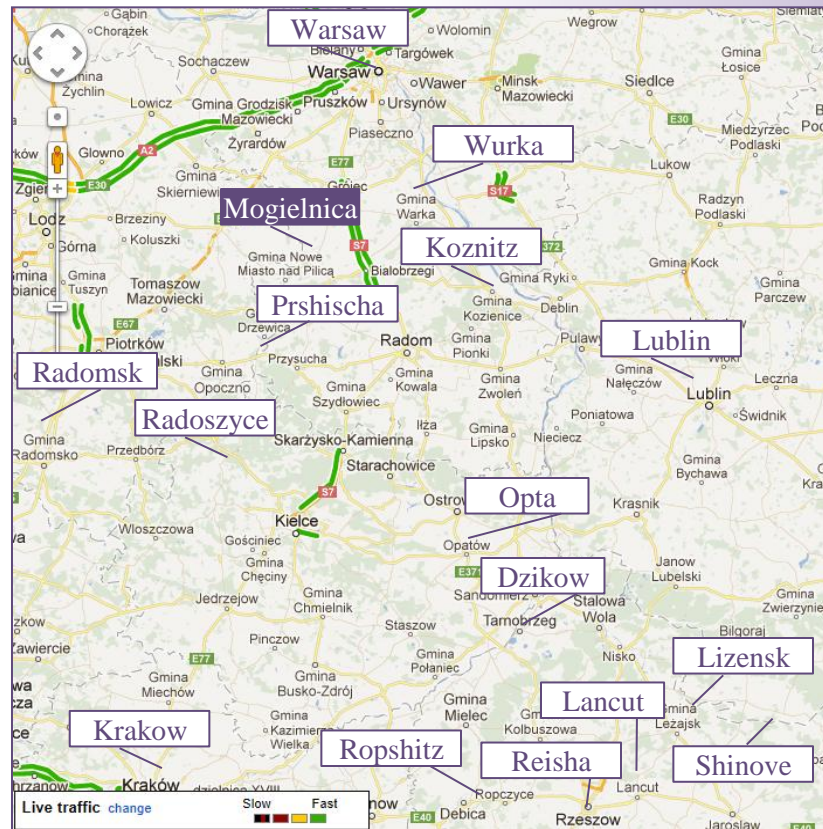

In light of the recent discovery of the  
**Mogielnica tziyon**, to the joy of all  
descendants and Klal Yisroel

Since we b"H merited to complete the fence  
around the Mogielnica cemetery, and discovered  
the precise resting site of the Saraf zy"ra and the  
foundations of the sacred ohelim, public interest  
is rising to visit this place. Therefore, we are  
hereby publishing a map of this vicinity,  
illustrating how Mogielnica is easily accessible.

At the same time, we appeal on behalf of the  
committee: garner tremendous zechusim by  
assisting the restoration of the ohelim and  
gravestones.
