Cemetery overgrown without proper enclosure

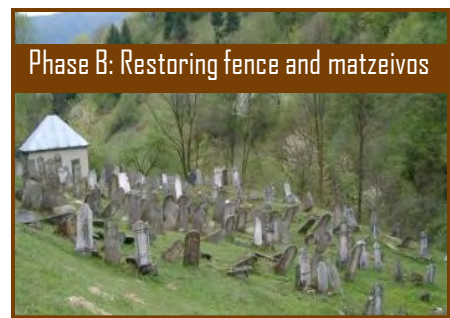

Petrova, Romania
November 11, 2011

Gravestones toppled and neglected

Upon hearing a first hand report of the dire condition of the cemetery, the esteemed descendants immediately donated astronomical sums to enable the construction of a **retainer wall** and keep the grounds from further deterioration. May the great merit stand in good stead.

Phase A: Constructing a retainer wall

Phase B: Restoring fence and matzeivos

To donate towards Phase B, kindly contact HFPJC ext. 305
