

A brief overview on our weekly activities

Do not postpone doing a mitzvah. When a mitzvah comes to you, seize it immediately! (מכילהא זחא)

With songs of praise and gratitude, we hereby extend our heartfelt **Mazel Tov** wishes to our very dear friend

**Important message from our dear colleague R' Smil Szabo
Field Director of the HFPJC**

Dear Friends,
Since the work I've been doing in the realm of cemetery restoration has expanded in the last ten years, I plead to all of you, that in order to continue our holy mission successfully, it is imperative to contact Avoyseinu directly with all you cemetery related requests. Your inquiry will be entered in the work agenda, through the tried-and-true system Avoyseinu has set up. If a project doesn't follow this path, the entire work becomes so much more difficult and hindered.
You can leave a message at any time in the headquarters of Avoyseinu at ext. 301/303/305 for general question; 306/307 for maintenance inquiries; and 307 for Hungarian speaking individuals.
May all our deeds be blessed with much siyatta dishmaya, and may we continue to rescue these sacred sites.
Your friend, Smil Szabo
