

With songs of praise and gratitude, we hereby extend our heartfelt **Mazel Tov** wishes to a very dear supporter

Upon the wedding of their dear daughter.

May they and their esteemed parents merit to reap much joy and nachas of all their descendants.

Upon the request of the rabbanim shlit"א, we are hereby citing the sacred words of the revered Rambam z"l, in which the staunch fundamentals of our faith in eternity and resurrection is outlined:

The thirteenth fundament, **Resurrection**... and one who believes in these elements... you shall love and pity him...

**And when one breaches one of these fundamentals, he is excepted of the klal...** (Rambam)
