Bulletin

A brief overview on our weekly activities

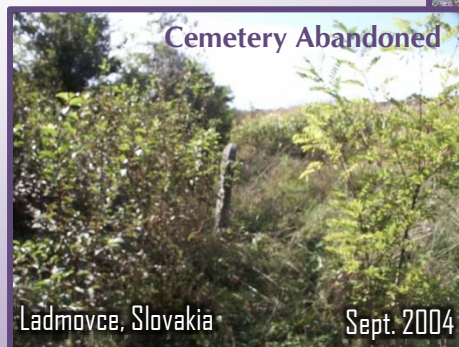

Excerpts from the Chief Rabbi of Jerusalem – and the Beth Din Tzedek in praise of Avoyseinu

We desire to support and encourage the founders who garnered these tremendous deeds... a mitzvah that cannot be overstated
And there is no limit to the greatness of the award of this noble work, especially in the sense that
it alleviates the retribution of our sins and reverses judgment into mercy as the sforim indicate...
And therefore it is a tremendous mitzvah to assist financially,
and thus become a partner to all of these invaluable activities
