

HFPJC a.k.a. Avoyseinu Bulletin

A brief overview on our weekly activities

Praised are his deeds

A very dear and honored individual, whose outstanding generosity has supported the present and past activities

R' Moshe Greenfeld

has garnered the tremendous zechus of easing the HFPJC's financial load and by funding the establishment of the Budapest satellite office.

For Avraham desired to plant in the hearts of nations the belief in physical eternity, because the bodies too will awaken whole with their bodies intact. It is therefore crucial to prepare a proper and desirable resting place... Hence, it was made known that [Avraham] availed all his wealth for this cause...

"Because all desires do not equal the loftiness of continuance; for this is the hope of all man." (Malbim, Parshas Chaya Sarah)
