

Avoysenu Bulletin

July 22, '10
Brief synopsis on
weekly activities

There hasn't been a *yom-tov* to Israel as that of **15 Av** in which the corpses of Betar were buried...

Join the noble mission by following these 4 phases:

A) Request an Evaluation

Find out whether your ancestral cemetery is preserved as befits a Jewish final burial site.

Contact us at ext. 305

B. Restore the cemetery

In the case that the cemetery is abandoned, unite with fellow descendants to fundraise the costs for a protective fence and gravestone restoration.

Contact us at ext. 305

Sample of an abandoned cemetery where locals excavated a skull and placed it on a tree r"l!

At arrival, HFPJC agents buried the skull halachically. **Remember: Without proper intervention, your ancestral remnants may be in danger!**

C) Maintenance

After restoration, ensure the continued maintenance of the cemetery so that it doesn't regress to its previous condition.

Contact us at ext. 306

D) Remit your donation

Cemetery restoration incurs a large overhead budget. Assist in this tremendous cause by easing the financial load HFPJC is struggling with.
