Gathering held for the restoration of 1000 tombstones in the Des cemetery, headed by the Admo"r of Des Shlit"a-B.Brak

An important gathering took place last Sunday at the Avoyseinu office headed by the Admo"r of Des Shlit"a regarding the upcoming work in the Des cemetery. The Rav Shlit"a is involved in the restoration work and oversaw the construction of a new fence. Under his guidance the site is maintained in a respectful manner. Family members headed by R'Chaim Yosef Wurzberger Shlit"a look forward to the contributions of all descendants so that restoration can continue in a timely manner.
