New Projects and Reports

Restoration of tombstones in Moldava, Slovakia

headed by the grandchildren of Hagoan R' Shloime Zalmen Baitum זצ"ל, Sponsored by Harav R' Chaim Tager Shlit"a, headed by Harav R' Burech Berger Shlit"a

Moldava nad Bodvou, Slovakia

Remarkable Discovery:

During negotiations over the restoration of tombstones, Committee Members inquired about the Resting Place of Hagoan R' Moshe Herczfeld זצ"ל, father-in-law of Hagoan R' Shloime Zalmen Baitum זצ"ל. Avoyseinu members were then in the Silasz-Bolosz cemetery, resting Place of Hagoan R' Moshe Chaim Hecht זצ"ל to conduct an evaluation upon request of his grandchildren, the Pollak family. Just then the Avoyseinu members discovered the tombstone of Hagoan R' Moshe Herczfeld זצ"ל which for years had been lying on the ground in disgrace.

Evaluation:

Cemetery has been found in a very poor condition—there is no fence and animals are roaming around digging up graves, and bones were found exposed--a terrible disgrace..
