## Maintenance

The third grass-cutting has just been satisfactorily completed in the 150 cemeteries that are under our maintenance plan. Avoyseinu expresses our thanks to all the participants and especially to the Chairmen for their devotion to the success of the maintenance of their ancestors' gravesites. Following are several sample photos taken at the completion of the maintenance work:

### We are required to act with alacrity where a monetary loss could be sustained!

Urgent plea to descendants! These 2 cemeteries are from the ones to have received a partial grant from the Hungarian Government. We have thus far not received any concrete information regarding descendants. It is of utmost importance to act in a timely fashion so as not to lose this exceptional opportunity!
