A beautiful and successful gathering took place at the home of Hagaon the Tzehlim Dayan Shlit"a following a report on the cemetery from Avoyseinu. The detailed presentation which included maps with various markings made it clear that constructing a sturdy gate to surround the entire cemetery is of utmost importance. It is currently only somewhat surrounded and in many places it is broken / weak. We hope to continue with erecting all tombstones, a thorough clean-up job and long-lasting maintenance.

The Committee is determined to start restoration work as soon as possible. Large sums of money were immediately sponsored and the

Committee now appeals to all

family members and descendants to join in this undertaking and assist us with generous sums as befits our holy ancestors.

Last minute preparations are being made to begin construction work in this season.

It's now possible to submit your automated donations by phone 24 hours: Call **718.640.1470 Ext. 3** and follow instructions. Due to the shifting virus regulations, our work is encountering much difficulty, and is incurring enormous expenses; your kind donation enables us to continue our holy work!

Tombstone of Harav R' Avrohm Eber son of R' Eliezer Head of the Kreisman Family, Resting Place in Kmylnik

1-Avoyseinu uncovers stone of R' Avrohm Eber son of R' Eliezer |
The inscription on the stone
נוסח המציבה: נפטר י"ד אדר תרס"ו

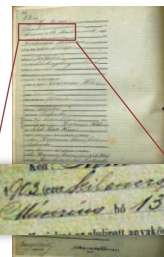

2-Family raises doubts about the discovery, since the grandfather R' Avrohm Eber Kreisman ז"ל (Boro Park), named after R' Avrohm Eber of Khmylnik was born in the year תרס"ה
Avoyseinu researches the tombstones and suggests the year most likely reads תרס"ו

3-Death certificate confirms the grandfather passed away on March 13, 1903

יד, אדר, תרס"ו!
