ASSESSMENT REPORT

ט"ו

According to SM the fence isn't at the right place. The old tahara shtibel and part of the old fence was taken away.
On the side at the river, the fence slid down. This part of the fence was rebuilt inside the cemetery.
The family ordered the survey of the cemetery and the stones. The maps should be compared and then we'll know more.

Note: This Report is a rough estimate generated by the initial evaluation. details may change as project draws closer
