ASSESSMENT REPORT

ט"ס

A survey must be done to find out the exact Bais Hachaim's size. On the right side of the Bais Hachaim a ditch is seen, which indicates that a border was on that side.

Part of the Bais Hachaim is taken over by the locals, and there are 5 new graves r"l. We must buy the lot back from them and give them a different, so chv'sh they shouldn't dig anyone out. As well, a half of a metzevoe was found among their graves.

Note: This Report is a rough estimate generated by the initial evaluation. details may change as project draws closer
